

Community Service and Publicity Committee Program

COMMUNITY SERVICE... "The great future destiny of The American Legion does not lie in nationwide concepts. It rests upon the vision of Legionnaires everywhere, of what they can do locally as enthusiastic individuals and as organized groups for their hometowns. The key to this is the spirit of **COMMUNITY SERVICE**." "In the spirit of **COMMUNITY SERVICE** lies the great promise of tomorrow for The American Legion"

Community Service and Publicity Creates - **MEMBERSHIP**

An outstanding, well organized, perfectly executed and well publicized Community Service Program is one of the major responsibilities of every American Legion Post.

Regardless of the many other activities in your Post, **COMMUNITY SERVICE MUST GO ON**, in order to retain your prestige of intelligent leadership and to hold the position of being the most unselfish, active veterans organization in your community.

There are two aspects of Community Service; First, the **ACTION** program requiring pre-selection of the activity, planning, carry-out and completion; Second, the **REACTION** program is a spontaneous decision dictated by nature (floods, tornadoes, disasters, etc.) and our humanitarian response is dictated by the heart. It is the **ACTION** program that fulfills our obligation in the **PREAMBLE** to the Constitution of The American Legion in the words, "To inculcate a sense of individual obligation to the community, state and nation."

OUR MOTTO FOR THE YEAR:

"The American Legion Family Can Make a Strong Community & Nation"

TO ALL POST COMMANDERS and ADJUTANTS

On behalf of the members of the Community Service and Publicity Committee, I want to express our appreciation to the Department Headquarters Staff for their excellent cooperation during the past year. I also want to thank all the Posts who participated in the Hall of Fame Award Program, Post Scrapbook, Post Newsletter and the Department Commander's Award Program. This is what makes everyone aware of our Program - Participation. It is this Committee's intention to make all Legion Posts in the Department more aware of what Community Service is all about. Let's be proud of this Program, and then let's report our Program.

COMMUNITY SERVICE and PUBLICITY PROGRAM

The question is asked, “are you easily discouraged?”

Here's a man who failed in business in 31

Defeated for the Legislature in 32

Again failed in business in 34

His sweetheart died in 35

He had a nervous breakdown in 36

He was defeated in election in 38

In 43, he was defeated for Congress

He was defeated for Congress in 46

He was defeated for Congress in 48

He was defeated for the Senate in 55

He was defeated for the Vice Presidency in 56

He was defeated again for the Senate in 58

**And in 1860, Abraham Lincoln
became President of the
United States**

You don't NEED a reason to HELP PEOPLE.

Community Service is a tool to create membership
And
Build a great relationship within your Community

Every post in the State of Illinois, should have and support a Community Service Program.

Community Service not only builds a very good relationship between posts and communities, it also creates membership as well.

That's why it is so important for posts to report their community service activities and projects to the Departments Community Service Committee.

Many members are told their time is wasted reporting Community activities to the Department.

Not so, each post who report their community activities and projects are rewarded by the Department through the Community Service Committee.

After being reviewed by the committee, each post is graded by the number of members of that post (see post size in this program).

Please don't be discouraged when others tell you "it can't be done", or "you are just wasting your time."

Abraham Lincoln didn't think so!!!

Always have that will to win, that burning desire, that says I will never give up because I'm a winner.

As Committee Chairman, I am asking you to report your activities and receive your reward.

A Responsibility of The American Legion is to Promote Community Service
“TO MAKE EACH COMMUNITY A BETTER PLACE IN WHICH TO LIVE”

DEPARTMENT COMMANDER'S

“WILL TO WIN”

The dangerous people are not the ones
Who hit you with clubs and rob you with guns.
The thief won't attack your character traits
Or belittle your abilities to your face.

It likely will be a will meaning friend,
Who merely crushes your will to win.
No, he doesn't rob you at the point of a gun,
He simply says “IT CAN'T BE DONE”

When pointed to thousand who already are,
He smiles and says “Oh they're superior”
Personality wise, in ability too.
They're way ahead of what others can do.

It matter not that the words are untrue,
For you feel others must know you.

So you're robbed of dreams, your hopes to succeed,
Robbed of material blessings received,
Robbed of your faith that says “I Can”
And robbed by an ignorant gunless friend.

So the deadliest of men is not he with a gun,
But the one who tell you “IT CAN'T BE DONE.”
For that taken by burglars can be gotten gain,
But who can replace your “WILL TO WIN.”
