

Department of Illinois American Legion

Technology Committee Meeting September 24, 2016 1 p.m.

The meeting was call to order at 1:00 p.m. by Chairman Ron Payne. A salute was rendered to the colors, and the Pledge of Allegiance was recited.

There were four committee members present.

3rd Division Ronald A. Payne (Chairman) - Present

4th Division Michael R. Monroe (Vice Chairman) - Present

1st Division Kurt Lepinski – Present

2nd Division Richard L. Valerio - Present

5th Division Wayne Wirz - Absent

Ron asked if we knew who the District Technology representatives are for each of our Divisions.

We discussed the new Department web site, the committees and commissions chairmen and vice chairman are being updated, Ron thinks that it would be good to have the District representatives listed also, so District members using the web site would know who to contact with questions or general information, the District members could present this information to the Division committee members. With Committee minutes being available on the Department web site, Posts will be able to receive information even if their District does not have a representative.

Ronald Umdenstock from Gifts ToThe Yanks Who Gave stopped in.

Went over what are charter is for Department Technology Committee.

TECHNOLOGY shall identify new technologies and computer-related products or services for possible use by, or benefit to, the Department, Divisions, and Districts. Evaluating and recommending new technologies and computer-related products and services for use by the Department. Developing guidelines for the use of Department resources. Help in coordinating the implementation of technologies and procedures.

Department Commander Cheri Stanton stopped in, brought greetings from the Department and was glad to see all the members that were able to make it. Would like for more members to call their chairman when they are not going to be able to make the meeting, that they would send a sub and would receive a call letter for the meeting and receive mileage payment for making the meeting. So that all the information will get down to all Divisions and the Posts.

Rendered salute to the colors and meeting was adjourned in regular form at 2:13 p.m.

Respectfully submitted by
Michael R Monroe
Vice Chairman
Technology Committee
4th Division Chairman
