PROGRAM FACTS

The American Legion National High School Oratorical Program, following successful Department Competition, was first conducted as a National Contest in 1938 with eleven Departments competing. In recent years approximately 30,000 contestants have participated each year, representing fifty-two Departments of The American Legion.

Besides providing excellent experience for thousands of students participating in the program, the program

affords a vast audience of The American public the opportunity to better understand the meaning of the United States Constitution.

The Department of Illinois awards \$13,075 in scholarships each year to Department Finalists.

The National Organization provides \$128,000 in scholarships to the National Finalists, Semi-Finalists and winners to the National Finals.

RULES & REGULATIONS FOR CONTESTANTS

SUBJECT TO BE USED FOR PREPARED ORATION

The subject to be used for the prepared oration in the Oratorical Contest must be on some aspect of the U.S. Constitution with emphasis on a citizen's duties and obligations to our government. The same subject and oration used in the department Contest must be used in the national Contest.

The prepared oration must be the original effort of each contestant and must not take up less than eight (8) or more than ten (10) minutes for delivery. The penalty for plagiarism will be disqualification. It must bear a title which is to be announced by the contest Moderator when he or she introduces the contestant; i.e.: "Contestant No. 1, the title of their oration is", etc.

In the prepared oration and/or assigned topic, quotations must always be indicated as such. Where quotations are more than ten words in length, the author's name must be given in the manuscript and cited orally. It is acceptable to utilize or incorporate short phrases in a foreign language to develop the argument, establish a point, etc. It should be understood that the vast majority of the prepared oration and/or assigned topic must still be delivered in English. Singing is not permitted and will result in immediate disqualification. The contestant may, however, quote a verse(s) of a song(s) provided proper attribution is made. A raised platform is not mandatory; however, it is strongly recommended. The use of notes, amplification, lectern or speaker's stand or any manner of prompting is not permitted. Props are not permitted.
