Admin Code 116 (MIA/POW Scholarship) provides the rules governing the administration and eligibility of dependents.

How to apply?

The student must obtain an application for the Illinois MIA/POW Scholarship from the Financial Aid Office at Prairie State College or download the application from

www.veterans.illinois.gov/pdfs/miapowscholarshipapp.pdf. The applicant is required to provide the following documentation as appropriate: marriage certificate, birth certificate, adoption decree, guardianship papers, and/or proof of the applicant's physical, mental, or developmental disability. Verification of the federal 100 percent service connected disability rating or, if the veteran is deceased, verification from the federal Department of Veterans Affairs that the veteran's death is service connected, or verification that the veteran has been determined by Congress to be an MIA/POW must also accompany the application.

Send completed application and supporting documents to: Department of Veterans Affairs, P.O. Box 19432, Springfield, IL 62794-9432.

What determine eligibility?

The applicant must be the spouse, natural child, adopted child, or stepchild of a veteran or service person who has been declared by the US Department of Veterans Affairs to be a MIA or POW, or to have died as the result of a service connected disability, or to the 100 percent (total) service connected disabled, and who, at the time of entering service, was an Illinois resident and was an Illinois resident within six months of leaving service. Male applicants must also have registered with Selective Service.

How are recipients selected?

The Illinois Department of Veterans Affairs reviews all applications and approves those that meet their guidelines. An award letter is provided to the student, which must be submitted to the veterans affairs advisor at Prairie State College before the award will be posted to the student's account.

How is the amount of the award determined?

The amount of the award is equal to the student's charges for tuition and registration fees. Lab fees and book fees are not covered by MIA/POW Scholarship and are the responsibility of the student. However, students are encouraged to apply for other Federal Grants to meet these costs by completing the Free Application for Federal Student Aid (FAFSA) with PSC School Code (001640) as the school choice at www.fafsa.ed.gov.

How and when are the funds paid out?

MIA/POW Scholarship recipients do not receive a cash award. Appropriate charges based on the credit hours the student is enrolled in are billed to the Illinois Department of Veterans Affairs, and the amount credited to the student's PSC account. The recipient is entitled to full payment of tuition and certain fees to any state supported Illinois institution of higher learning for the equivalent of four calendar years of full-time enrollment including summer terms.
