The meeting began with greetings and instructions for judging all entries. Commander Payton joined the meeting and stayed most of the time we met. It was a pleasure having Commander Peyton join us.

The categories that were judged were Post Newsletters – Commanders Awards – Scrapbooks and The Hall of Fame Award. We were pleased to see more entries in this program than in previous years.

This committee was asked to present a special award to a journalist that has supported The American Legion for many years. We decided that we would be honored to present a special award to this person.

This committee had a working lunch and completed it's work around 2:30 p.m..

I invite you to join us at convention when these awards are presented to see and hear what good works are happening with The American Legion Posts in the state of Illinois.

Congratulations to The CSC members for there good work this year.
