

Community Service Committee update for October 26, 2023.

The Community Service Committee (CSC) decided after the last Department of Illinois Convention to update the 2024 brochure. Chairman Ron Hoffman, Jerry Howard and Shandi Green met August 10, 2023 to discuss the new brochure. Recommendations were made and Shandi has been updating the brochure.

A proof of the 2024 brochure has been emailed to the five Committee members. A zoom call will be scheduled for the Committee to discuss any changes or additions to the brochure. The final proof will be forwarded to the Department for review. Then, the 2024 brochure will be published and distributed.

We look forward to having a very good participation from Posts this year for recognition awards. The Committee looks forward to working with all Posts.

For Veterans, Youth and Community.
