

SAL Liaison Meeting December 14, 2024

SAL Liaison meeting opened at 10 AM on Saturday, December 14, 2024. Members present: 1st Division, Peter Faraci; 2nd Division, Mike Westerhausen; 4th Division, Bill Reed; 5th Division, Wm. Flanagan, with 3rd Division, John L. Davis, excused.

Chairman advised members they were a connection between their respective divisions and the Detachment of Illinois. They should also be ready to help anyone who asks for it, by giving them answers to their questions, or finding out the answer and sharing it with them.

An explanation was given why there is a new SAL membership person in the office. The current membership person, Art, resigned, with him being replaced by Mike Monroe, part-time.

There was nothing that would go before the DEC that the committee needed to look at.

Bill Flanagan, Chairman
